The club barbeque was a success despite having to postpone it due to the weather

## Knole Park

Hi all the day started overcast which probably put a lot of members off going on a picnic only three of us turned up .We met at the oak and

went in for a coffee (hoping more would turn up) then set off for Knole park in a small convoy. When we arrived we parked up and went for a walk, Val and Mike had never been and they were well impressed with the scenery and the deer wandering around. We had our picnic as the weather turned out quite nice. Attended by Val Mike Alan Shirley and Pete.

## **Sweet Hut classic car show**

Hi folks

Here are some pictures from Sweet Hut classic car show at Minster on 21st July.

Four club cars attended Denise Ian Alan Doug Shirley and Pete.

The weather was great and the show was attended by 160 Cars parked along the sea front.

This show is limited to 160 so you have to get your entry form in early if you wish to attend.

## Project Victor

Well folks, another month has gone by and progress on Victor has been a bit slow, I've had a few paint issues painting the doors.

the main issue has been with my compressor, the differential between max pressure shut off at around 120psi and restarting again as low as 50psi and although I'm spraying at around 30psi the volume is greatly reduced in my 50ltr tank causing the paint not atomising and ending up looking like sand paper finish.

It does polish out with 1500 & 2000 grit wet and mechanical buffing,

but that takes time and risks cutting through to primer coat and having to start all over again.

I didn't have this problem with my other 5 restorations so I think my compressor has had its day (a bit like me). However, things are progressing slowly and the painting is almost completed, the whole vehicle is now in colour and will polish up ok.

Just a bit more attention to a couple of doors then is down to assembly, which I'm really looking forward to, the hardest part is going to be hanging the doors, they are so dam heavy but I have had plenty offers of help for that scenario.

That's about it for this month folks:

Holidays coming up, so another lull in proceedings, "But it's only a HOBBY says Faye", there is life outside motor cars, (Booooo)

## Herne Bay

Hi everyone. Herne Bay this year was a great show as always.

Plenty to see and do and the weather was really good.

This year we were parked in the car park and close to the band so we had entertainment as well.

Paul took all the picture and managed to get them all in frame so a big congrats goes out to him for that 😊

For those of you that haven't done Herne Bay before, definitely put it in your diary for next year. Sun, fish & chips and a car show by the sea, what more do you want?

## Tractor Fest

Hi all, 13 cars from the club turned up for Tractor Fest on Sunday 18th August.

The weather wasn't kind to us though, we had 2 heavy showers which made the field very muddy perhaps it had something to do with the number of cars that turned up.

There were many stalls there which made it like a county show on a fine day.

well worth a visit.

## KC&SCC Barbecue

The club barbeque was a success despite the postponement. Everyone enjoyed the day and so we have decided to make it an annual event on the first Saturday in August going forward so please put it in your diary folks.

The weather was good and whilst, we didn't fill the car park as planned, we still had a very good turnout so thanks to all that could make it.

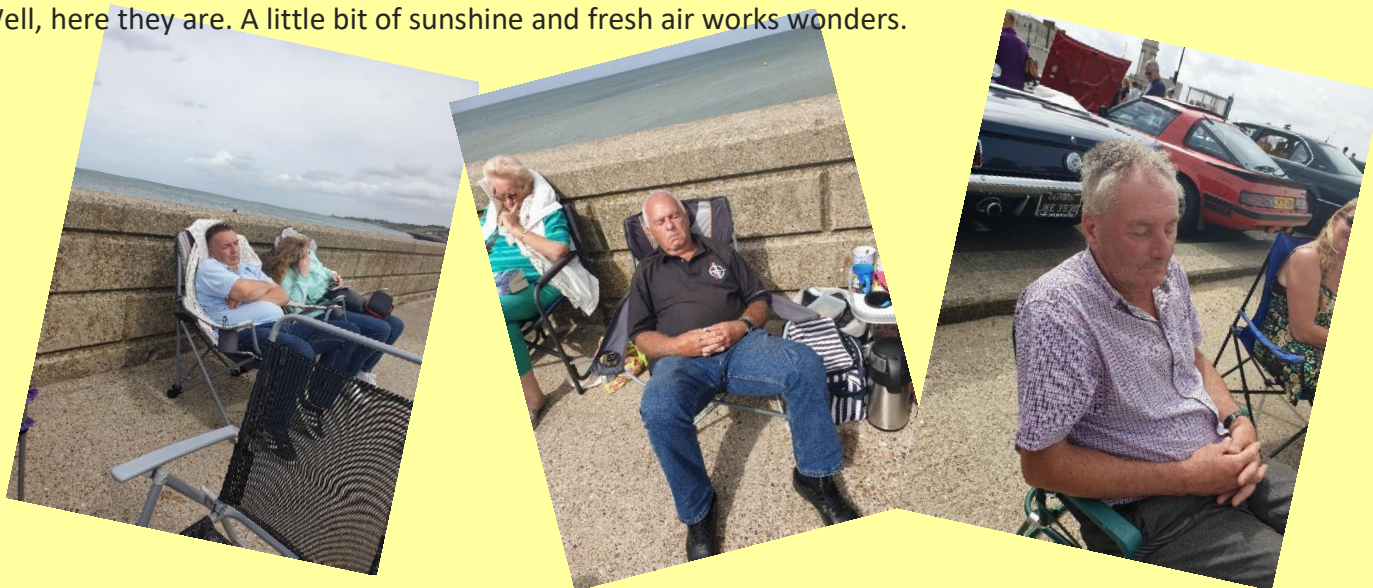

Next year we will try again and hope that this time the weather is kinder to us and everything goes according to plan. Hope you can join us – you have plenty of notice so no excuses in 2020 😊

## Nodders
